Architecture Review Report

Project: Integration Test Project

Generated: 2025-12-07 16:16:25 UTC

Executive Summary

Mock analysis completed for project. Analyzed 2 files with 2 total lines of code.

Analysis Statistics

Total Files: 0

Analyzed Files: 0

Lines of Code: 0

High Severity: 0

Medium Severity: 1

Low Severity: 2

Total Findings: 3

Analysis Duration: 1s

Recommendations

- Continue following current coding standards
- Consider adding more documentation
- Review test coverage for critical paths

Findings

No findings reported.
